

Setting the Standard by Meeting the Standards

Exemplary Physical Education Curriculum

EPEC for Grades K-5

EPEC is an easy-to-use, award-winning curriculum aligned with the NASPE standards. EPEC teaches students the knowledge and skills and fosters the competence and confidence they need to enjoy physical activity for a lifetime.

Being a true curriculum, EPEC includes:

- Instructional objectives
- A scope and sequence matrix
- Developmentally appropriate teaching/learning progressions
- Instructional lessons
- Quality assessment rubrics
- Fun, reinforcing games with integrated nutritional messages

EPEC is being used by thousands of teachers nationwide to strengthen both the practice and perception of physical education in their schools.
